## Choose the Word

2	The game is played with 52 <b>cards</b> .
3	The dealer deals ten cards alternately to his <b>opponent</b> and himself.
4	The players take turns to <b>deal</b> the cards each game.
5	The dealer puts the <b>remaining</b> 32 cards face down.
6	He turns over the top card from the <b>pile</b> of 32.
7	Players take it in <b>turns</b> to pick up a card – either from the face-down or the face-up pile.
8	They must put down one card – face up – so they only hold 10 cards in their <b>hand</b> .
9	Players try to make <b>sets</b> of three or four cards the same number or in sequence.
10	The first player to complete three sets of cards is the <b>winner</b> .

This winning hand contains the sequence Ace of Hearts, two of hearts, three of hearts and four of hearts; there are three sevens and three jacks.

**A note about James Bond films**

Many of Ian Fleming's James Bond books have been made into movies. The movies, however, do not follow the original story very closely. The most famous actor to play James Bond is Sean Connery. Bond has also been played by Roger Moore and Pierce Brosnan.
