

Picture Puzzle

JOHN ESCOTT

- 1 Five people. *Students should understand that the big man in paragraph one is the same as the big man in paragraph two.*
- 2 *Student's own answer. The puzzle in this story might be:* Why did the girl give the film cassette to Pete? Why was she frightened? Who is the man running after her? Why is the man in the photo giving an envelope to the big man? What is in the envelope?
- 3 *Student's own answers. The actual answers are:*
 - a **iii** Pete will look in newspapers for reports of crimes.
 - b **i** Pete will look for the place in the photo.
 - c **iii** Pete will show the girl's photo to the people in the area around the church.
 - d **iv** Pete will fight the big man and win.
- 4 **d** ZETTER EXCAPE PLAN : STUDENTS HELP POLICE
- 5 *Student's own answer. Details needed:* Amy lives in same building as Wallace. Amy heard Wallace and Thurber talking about a meeting in St Mark's churchyard and about bringing money to the meeting. She took a photo of them. Wallace saw her and chased her. While running, she gave the film cassette to Pete. Wallace waited outside Amy's flat and pulled her into his flat. He wanted the film. She told him about giving Pete the film. Wallace put her in the bathroom and waited for Pete to arrive – which he did. Pete fought Wallace and called for the police. Together, Pete and Amy caught the criminals.
