### Unanswered Questions

*Possible answers:*

- 1 Dünya may have killed an enemy or business rival, or he may have used the body of someone who was already dead.
- 2 Possibly not, because then Tom would not have seen her and he would probably have gone back to England.
- 3 Because she / they knew too much about his business.
- 4 He put opium inside table lamps and exported them to England. Then someone took the drugs out of the lamps and sold them – so there were people working with him in England.

### Dictionary: *drugs*

Meaning 1	an illegal substance that affects you physically and mentally
Meaning 2	something you take to treat a disease or medical problem

Dünya was smuggling drugs (meaning 1).
