- 5 Student's own answer. Details needed:
Miss Havisham's brother was Compeyson's friend. Compeyson was the man who stole Miss Havisham's money and left her on her wedding day. Magwitch met Compeyson at about this time and was drawn into Compeyson's evil plans. Magwitch had a wife who was tried for murder and acquitted – Jaggers was her lawyer. He also had a child. After the trial, he never saw either of them again. Molly who works for Jaggers, is Magwitch's wife. Estella is Magwitch's daughter – sent to live with Miss Havisham, another of Jaggers's clients, by Jaggers.
