	How does she feel about them in the beginning?	How do her feelings change? When do they change?
Phillippe	Loves him as a father	She feels angry because he lied to her about himself and the fact that she was a princess, page 17
Lilly	Best friends	They begin fighting over Mia's new haircut and the fact she is very busy with her Grandmere and can't spend so much time with Lilly, page 34 They become friends again at the dance when Lilly apologises to her, page 60
Josh	Thinks he is very handsome and and wants to kiss him, page 11	Realises he only wants to be her boyfriend to make himself look good, and doesn't really care about her, pages 59–60
Grandmere	She is scared of her, page 28	Perhaps she is beginning to feel a little more comfortable around her, page 61
Michael	He makes her laugh and she thinks he looks good, page 22	She begins to feel strongly for him after they danced and had fun at the ball, page 61
Helen	Loves her mother but wishes she would spend more time with her and is not happy she is dating her algebra teacher, page 10	Students' own guess from the story.
